TEA 'N' TINKERING

Feel like you could do with a healthy boost of connection and company? Come along to our weekly bike recycling workshop for a little bit of tea and tinkering at the Totnes Bike Hub.

Our sessions provide a welcoming space for people to come together to meet others. We tinker with bikes, we drink tea, chat and have fun. It's a do it together atmosphere where everyone is valued.

No prior experience is necessary but an interest in learning about fixing bikes is helpful. If you, or someone you know, would like to join us, then please pop by or give us a call.
